Central's search committee believes that God is and has been actively preparing someone to be our next preaching minister. He's been working on that man, on his family, on his church...getting him ready to accept this new role and to be effective in it. He is "calling" that man here...and calling us to recognize and receive the one He has chosen for us. We need to be prayerful that God will let us see with His eyes so we can discern His calling and understand His will. We appreciate your prayers as we work through this process.

The search committee meets each Sunday morning from 7:30-9:00. On the first Sunday of each month starting in March, anyone with questions on the process and our progress is welcome to come to room 219 at the end of the North hallway from 9:00-9:15 and we will have a panel of search committee members present to field any questions you may have.
