God created us to serve others. He has called our family to serve at home and away. We would be grateful for your prayers and support as we all prepare to go to Haiti in August. We will be traveling with the Westgate Church of Christ to Port au Prince to serve the children and staff at The Goodness of God Orphanage.

Three opportunities to serve with us:

- Prayers - We need prayers for safety, open hearts and God's strength.
- Funding - We need to raise money for airfare and accommodations. If you have any odd jobs our family can do, please let us know. You may also make a cash donation that can be sent to us or to the Central Church of Christ. The donation will be tax deductible if you give to the church.
- Follow Us - We will be updating our page regularly with news and prayer requests. <https://www.facebook.com/SchlupsServe>
